Ball In and Out of Play: The ball is out of play in all age group games when the ball completely crosses the touch line (side line) or goal line (end line), either on the ground or in the air.

Restarts: 1) Ball over the Touchline - Throw-In. 2) Ball Over the Goal Line - Goal kick (GK), Corner Kick (CK), or Goal. 3) Fouls - Free Kick. 4) All other - Dropped Ball

Method of Scoring: A goal, in all age groups, is awarded when the ball completely crosses the goal line into the goal.

Throw-In: Throw-Ins are to be taken from where the ball left the field, anything is acceptable. Opponents should be two yards from the ball. A goal can not be scored directly from a Throw-In.

Goal Kick: A goal kick is awarded to the opposing team when the attacking team last touched the ball before it crosses the goal line but without scoring a goal. The goal kick is taken from any point inside the goal area. The opposing team must be at least 6 yards away from the ball when the GK is taken.

Hand Ball: A hand ball infraction occurs when a player handles the ball deliberately. The 'hand' includes the entire arm up to the top of the shoulder. Instinctive, self-protective reactions or accidental contact (ball striking hand or arm with no intent by the player) is not an offense and should not be penalized.

Fouls: The opposing team must be at least 6 yards from the ball when free kicks is taken. Fouls most likely to occur in 8U games: **kicking, tripping, pushing, holding, handling the ball and dangerous play.** Remember there is no need to stop play for fouls that do not interrupt the flow of the game. It's a players game and not a game of how many infractions can be identified, so keep the fun going and let them play.

Offside: No offside.

Misconduct: Misconduct should be rare in 8U games. There is no need for the public cautioning and sending off of young players (leave the red and yellow cards at home). Officials should work cooperatively with the coach when a player may need a 'time out'.

Corner Kick: A corner kick is awarded to the opposing team, in 8U and older, when the defending team is last touched the ball before it crosses the goal line but not scoring a goal. The opposing team must be at least six yards from the ball when the corner kick is taken in 8U games.

No Heading: Consistent with the US Soccer mandates on heading the ball, heading is banned for 8U in both practices and matches. A free kick is awarded to the opposing team if a player deliberately touches the ball with his/her head during a match (taken where the player touched the ball with his/her head).
