

Welcome Back, Soccer Fans!
AYSO Region 45 is pleased to announce that
online registration for our
2010 Fall Season is now open at
www.ayso45.org

At this web site, you'll find step-by-step instructions and all the links you need to register your son or daughter for next season... and to sign yourself up for some coaching, refereeing, or auxiliary jobs, all of which are necessary to keep the kids on the fields week after week.

Guaranteed placement on a team is subject to enough coaches and referees volunteering for the applicable division and the league obtaining enough field permits – the earlier you register **and volunteer, the better!*

Become an AYSO Volunteer!

AYSO is an all-volunteer organization, and teams cannot be formed without head coaches and referees. Other important volunteer positions are also available, at varying levels of commitment – so when you register your child to play, why not sign yourself up for the satisfaction that comes with helping to keep quality soccer experiences accessible for our entire community?
